**RE: SECURITY SERVICES PROVISION RECOMMENDATION LETTER**

This is to confirm that JT Group Security Solutions (K) Ltd is our Security provider at our Kikambala factory where they provide CCTV Operators.

For the duration they have been serving us we are contented with the service delivery level. The staff are well trained and disciplined. The management team is cooperative and always committed to meet and exceed the security demands.

In this spirit we don't hesitate to recommend the organization for security services provision to any potential clients.

In case of any clarification kindly contact us.

Yours faithfully
